

CARRIER PACKET

Thank you for your interest in becoming an approved carrier for Arizona Freight Solutions, LLC. Below are some of our key requirements in order for your company to qualify as an approved carrier. All elements identified as 'required' must be completed in order for the qualification process to be complete. If your company is not compliant to any of the required qualification criteria, you may return at another time to register once the non-complaint items have been corrected.

CARRIER SETUP CHECKLIST:

- Carrier Information Sheet
- Carrier Contract (Initialed and signed by Owner Operator or Manager)
- Provide Workers Compensation Insurance Certificate or sign Workers Compensation Agreement provided.
- Copy of Operating Authority if Interstate.
- Current signed W-9 form.
- Insurance Certificate with Vehicle Schedule listing "Arizona Freight Solutions, LLC. & Affiliates" as a Certificate Holder. (emailed to ArizonaFreightSolutions@yahoo.com by Insurance Agent or Insurance Company directly).

** If Operating Authority is less than 6 months old please provide us with at least 3 verifiable references of companies that you have hauled for in the past.

For questions regarding the registration process, please contact us at ArizonaFreightSolutions@yahoo.com or call (623) 300-5574.
